SUMMARY

As a driven and curious individual, I am excited to launch my career in tech as an Associate Software Engineer at Accenture, where I can apply my skills and knowledge to drive innovation and growth. With a strong foundation in problem-solving and a passion for learning, I am confident in my ability to excel in a dynamic and fast-paced environment. I am eager to undergo the free pre-employment training and contribute to the company's success.

EXPERIENCE

SKILLS

- Software Development
- Problem-Solving
- Data Analysis
