Dear Hiring Manager:

I am John Romel D. Lucot, a graduate of Bachelor of Science in Information Technology from Bohol Island State University – Balilihan Campus. I am writing to express my interest in applying for a Full Stack Developer position in your company where I can contribute my skills and continue to grow professionally in the field of Software Development.

I have knowledge and hands-on experience in software and web development gained through academic and personal projects. I am proficient in technologies such as Python (Django), React.js, React Native, Firebase, Supabase, PostgreSQL, and MySQL. One of the major projects I worked on was a Budget Monitoring System for our university capstone project, where I focused on Full Stack Development and system functionality.

I consider myself adaptable, hardworking, and eager to learn new technologies and improve my technical skills. I am capable of working independently as well as collaboratively with a team. I also value professionalism, continuous learning, and maintaining a positive attitude in the workplace.

I am confident that my technical background, willingness to learn, and dedication to work would allow me to contribute positively to your company. I am eager to apply my knowledge in a professional environment and gain valuable industry experience while helping your organization achieve its goals.

Attached herewith is my resume for your review. I would greatly appreciate the opportunity to discuss my qualifications further through an interview at your convenience.

Thank you for your time and consideration. I look forward to hearing from you.

Respectfully Yours,

JOHN ROMEL D. LUCOT
